»» DONATE FOR A BETTER US.

We can't do it alone.

The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of "us" is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That's why the Y passionately focuses on strengthening communities.

Every day, the Y supports kids, adults, seniors and families with programs that protect, teach, connect, heal, nourish and encourage. Everything we do helps empower communities and the "us" who live in them to thrive.

US... IS EMPOWERING

Recently our branch director said hello to a member using the recumbent bike outside her office. As they were talking, the member began to share that the Y has become a haven for her thanks to its Membership for All Program. She was dealing with stress daily, taking care of her elderly mother and managing her own diabetes. Her family had moved from Illinois where they had been actively involved in the Y as a family. After moving to York, they became busy and she never got around to exercising as she had before. The member mentioned she had made some poor choices in life, resulting in diabetes. She is hoping with exercise she can control her stress levels and ultimately her diabetes. She told the Y director she appreciated her listening as the time on the bike had gone by quickly and the Y was a lifesaver!

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y’s core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
