» DONATE FOR A BETTER US.

We can't do it alone.

The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of "us" is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That's why the Y passionately focuses on strengthening communities.

Every day, the Y supports kids, adults, seniors and families with programs that protect, teach, connect, heal, nourish and encourage. Everything we do helps empower communities and the "us" who live in them to thrive.

US... IS EMPOWERING

"When I retired last year I knew I had to find a physical activity that I could do and that I would like. Water Aerobics has been just perfect for me. When I was 40 years old I was diagnosed with arthritis in my feet, knees, hips and shoulders. I'm now 62 and after numerous surgeries, and more to come, I am somewhat limited with the types of exercise I can do without pain. The pool has been perfect! I didn't start with any hope that I would be able to do this or that I would stick with it. I've lost 15 pounds, which is a plus, and I have more stamina. It also encouraged me to try other things that I didn't think I could do like zip lining and kayaking. The best part of this is the YMCA and their staff! They are the reason I keep coming back. They make it a pleasure to workout. When I leave I not only feel healthier but a little smarter too!"

When you donate to the YORK YMCA, you make the communities of York County better and the "us" who live in them stronger.

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
