# YOUTH SCHEDULE

## SOUTHERN BRANCH YMCA (REVISED 6/19)

### Camp Discovery

Camp Discovery provides a safe, nurturing and fun summer camp experience for children of all ages (5-12). Activities include field trips, science lessons, swimming, sports, and many more. Children will have the opportunity to make friends and create lasting memories.

### Nerf Tag

Nerf tag is an exciting game that attracts all ages and abilities. Players will work together on teams to capture the flag while playing with Nerf guns. Each participant must bring their own equipment including safety glasses, ammo, and Nerf gun.

### Youth Soccer

This six week program is designed to enhance the participant's skill in a team format. The kids will work on skill development through games and drills. Parents are strongly encouraged to help with their child during practices.

### Registration

Contact Youth/Teen Sports & Camp Director Travis Bowman for more information on youth sports and summer camp.
